

Autism, Family, & Community Lab

Do You Have a Sibling on the Autism Spectrum?

We Need You!

- Typically-developing adults who have a **sibling with Autism Spectrum Disorder (ASD)**
- Must be 18 years or older

What:

- We want to understand how having a brother or sister with Autism Spectrum Disorder (ASD) contributes to the experiences, well-being, opinions, and perspectives of **typically-developing adults who do not have ASD.**
- **Procedures Include:**
 - Online questionnaire (~1 hour)
 - Interview with one of our researchers (~1 hour)
- **Compensation:**
 - Receive up to **\$25** in an electronic **Amazon gift card**
 - Eligible CSUSM students may receive up to **4 credits** with the Department of Psychology Human Participant Pool (HPP) instead of the gift card.

To Enroll: Please email phungautismlab@gmail.com
